

Season's Greetings! Happy New Year!

Dear friends, wherever in the world you are,
However near, however far,
We send you greetings, around the Earth,
End of Autumn, Winter's birth,
Or start of Summer, Springtime's end –
Our peace and loving we extend.
May all your years bring joy and thrive.
Happy New Year '25!

And happy Kadon's birthday, 45...
